On Monday, I might go to Space for Yew.

I go in the front door.

& And into the hall.

There will be lots of activities I might choose to do.

I can play. Or I can watch. This is ok.

I can play with one toy. Or I can try all the toys.

I can choose.

My adult will stay with me. Katie will be there too.

If I need the toilet, or a nappy change, I can go in

here.

When I need a quiet moment, there is a quiet place I can

go.

If I feel hungry or thirsty, I can get snacks and water

here. My adult can help me.
